

## CONFIDENTIAL RECOMMENDATION FOR FIC GUIDANCE ADVISOR PROGRAM

### Description of the Guidance Advisor Program:

Guidance Advisors are FIC alumni who provide personal and academic support to FIC students. Guidance Advisors help to support the Student Success Advisors by answering day-to-day questions and concerns. To be a Guidance Advisor, certain qualities are necessary, such as to be caring, patient, and thorough. They are entrusted to provide accurate information and sound advice to students. They must appreciate the difference between questions and concerns that they can answer, and issues that need to be escalated to a Student Success Advisor. Most importantly, all applicants must have a genuine desire to help students succeed.

### Instructions:
